Terms of Use

> By using the AnatomyArchive you automatically agree to the following terms:

Overall, I want this to be a respectful place to learn, for everybody.

Free to Use

All pages of the AnatomyArchive are free to use for anyone - non commercially (and commercially*).

The 3 simple rules are:

- *The pages are **free to use commercially**, so that they can be used for commercial teaching (e.g. classes/lessons, videos, articles). But you are not allowed to sell pages or parts of them directly, unless you ask me beforehand.
- If you use an AnatomyArchive page somewhere **always provide credit to the artist** in some way. The minimum is to cite the artist's name.
- You are not allowed to use any piece of this website for **machine learning purposes**, AI model training and similar.

Explicit Content

The AnatomyArchive is meant as an educational platform for the whole human body but there are **a few boundaries**:
- You are not allowed to display genitals.
- The *Reference Pictures* have somewhat stricter rules, because there are real human beings involved. Read here (Creator only)
