

# Terms of Use

By using the AnatomyArchive you automatically agree to the following terms:

## Free to use

All pages of the AnatomyArchive are free to use for anyone - non commercially (and commercially\*).

The 4 simple rules are:

- You are not allowed to use any piece of this website for **machine learning purposes**, AI model training and similar.
- You are not allowed to **claim ownership** over pages or parts of them, unless you are the creator of that particular page.
- \*You are not allowed to **sell pages** or parts of them. The pages are free to use commercially, so that a teacher who is getting paid can still include an AnatomyArchive page in his lesson.
- If you use an AnatomyArchive page somewhere **always provide credit to the artist** in some way. The minimum is to cite the artist's name.

## Explicit Content

I want to keep the site accessible for everyone, which is why explicit content is not desired. Pages with explicit content need to be tagged clearly and are watched more closely by moderators.

If you have questions about any of this -> **contact me please**
