

Terms of Use

By using the AnatomyArchive you automatically agree to the following terms:

Overall, I want this to be a respectful place to learn for everybody.

Free to Use

All pages of the AnatomyArchive are free to use for anyone - non commercially (and commercially*).

The 4 simple rules are:

- You are not allowed to use any piece of this website for **machine learning purposes**, AI model training and similar.
- You are not allowed to **claim ownership** over pages or parts of them, unless you are the creator of that particular page.
- *You are not allowed to **sell pages** or parts of them. The pages are free to use commercially, so that a teacher who is getting paid can still include an AnatomyArchive page in his lesson.
- If you use an AnatomyArchive page somewhere **always provide credit to the artist** in some way. The minimum is to cite the artist's name.

Explicit Content

The AnatomyArchive is meant as an educational platform for the whole human body but there are **a few boundaries**:

- You are not allowed to display genitals.
- The "Reference Pictures" have somewhat stricter rules, because there are real human beings involved. Read [here](#)
