

See all Quick Pages in one Spot

(in alpha testing)

- [AnatomyArchive Pinterest Board](#)

AnatomyArchive Pinterest Board

See **all Studies** side by side on [the AnatomyArchive Pinterest Board](#)

I created a Pinterest board where all Quick Pages are automatically uploaded. Use the AnatomyArchive website like a **library to find specific information** or browse through the Pinterest board to get **inspired**.

1. Open  app
2. Go to  bar
3. Tap  to scan
