Creator Template: Word/Term Explanations

Preview:

This line will be visible as a preview to your page - write what makes your page special or write whatever you want.

About **86 characters** are visible -> here is a counter: wordcounter.net

Synonyms: Which synonyms are commonly used for the explained word/term? (list the synonyms with semicolons and leave this line Italic)

↓ From here on out you can **freestyle the page** however you like! The Template is just here to help.

Summary

What is the shortest but most complete definition you can think of?
What is the most relevant information that everyone needs to know about the word/term?
Try to include all relevant technical terms, but make it understandable for a "beginner".

> **add drawing if needed**

Details

What additional information would make a person happy, that is particularly interested in this topic?
This section does not need to be "beginner" friendly. Go all out, if you want.
If there are no details, you can just delete this part.

> **add drawing if needed**

↓ You can **promote your socials** or other personal projects in a comment after you publish the page! The first comment will always stay on top. Make sure to use links (If you prefer, you can also link your stuff right here / at the bottom of the page)
